## FALL 2009 2+4 OPTION ARCH 101

To access Wednesday's 3 readings go to [www.library.drexel.edu](http://www.library.drexel.edu)

Select "**Course Reserves**" from the tabs at the top and type **Arch101** (no spaces) into the search bar. Navigate to the Online Access page where you will see:

[The Death and Life of Great American Cities,](#)  
[Townscape and Great Streets](#)

You are expected to have read these by Wednesday, 09. 24.2009

## CHIPBOARD VIEWFINDER – 09.21.2009

Use the following tools to build the viewfinder from a small sheet of chipboard:

- Steel straightedge
- X-Acto Knife and Blade
- Pencil (for measuring)
- Sharpie (for adding tickmarks)
- Green cutting mat

You will use this viewfinder on our fieldtrip to Rittenhouse and on future projects, so create a pocket in the back of your large sketchbook to safely store it. The viewfinder must be made to the following specifications:
